

Cuisine Judgement Guideline

In this app you will be judging the correctness of cuisine(s) for a given Eat&Drink business. Please follow the **following steps** to complete the task.

1. In Entity Info section, check the name of the business.
2. Open the website link for this business.
3. Check the cuisine type(s) in Questions section, and judge whether it's correct based what the business name and website suggest.

1. Is the cuisine type correct for this restaurant?

- ☐ Yes, it's correct.
- ☐ No, it's wrong.
- ☐ I'm not sure.

4. Submit the task.
